

Monday 16th November

Why do we pray at different times of day?

Draw lines to match the times of day to different types of prayer.

Morning

We ask God to bless our food and we say thank you.

Lunchtime

We thank God for the good things in our day.

Home time

We ask God to bless us and look after us through the day.

Write your own morning prayer, asking God for his help throughout the day. Use the word bank to help you.
