

Thursday 19th March 2020

Dear Parents/Carers

Once again, thank you so much for your support during these uncertain times.

You will all have heard the Government's plans yesterday to close schools from Friday 20th March 2020 to all students with the exception of children who fall into vulnerable groups and the children of key workers.

We are currently awaiting further clarification from the government regarding these plans in relation to St Nicholas Owen schools. Once we have this clarification we will contact you with further information.

Working together as a community to get through this crisis, really is an example of our faith in action and we are grateful for your patience, support and prayers.

God Bless
