

AUTUMN

16.11.20

THINGS TO DO TODAY...

- Have you ever tried doing a leaf rubbing? Leaf rubbings are a fantastic way for you to really see all of the details on a leaf. Watch the video on how to do a leaf rubbing and have a go. How many leaves can you make?

Autumn Dance!

Watch the video of the Autumn song. Have you got a bright scarf or some fabric that you could use to move to this song with? Maybe you could make up a dance?

If you have anything to shake or any pots and pans to hit you could play along with the song.
