## A message from our Principal

Dear parents and families,

I hope that you have all had a good week. Please remember to follow your child's walk with me calendar to continue to provide a prayer focus on each day throughout Lent.

I hope that the parent consultations this week were supportive. Please could I ask that you spend 5 minutes completing a short questionnaire regarding our parent consultations that will inform how they continue to be adapted and developed moving forward? Although we may not be able to implement all changes due to time constraints or other reasons, we truly value all responses and I personally analyse each completed survey. Thank you

It was great to see the children dressed in green today for St Patrick's celebrations. The Irish dancing this afternoon was wonderful too - our dancers are so talented. Thank you Una for preparing them so well. This week our Year 4 and 5 children had the opportunity to make their Confession to Father Philip and Father Stephen - supporting them to continue on their Lenten journey with Jesus at the centre. Next week, we will focus on Holy Week in school and join together for Year 3's performance - The Three Trees. It will be a thoughtful and spiritual week in school for all.

Year 4 and Year 6 parents, we have added parent workshop dates regarding the Year 4 Multiplication Tables Check and Year 6 end of Key Stage 2 assessments (SATs). Please check the dates below. All presentations will be made available to parents who are unable to attend.

Our school website is regularly updated. Please have a look here - [St Joseph's Catholic Primary School Stourbridge - Home \(st-jo-st.dudley.sch.uk\)](http://st-jo-st.dudley.sch.uk)

Principal

Polite request for community members with skills! Dear parents, there are a number of ambitious projects in school that we wish to begin, and wondered if any members of our community would be interested in offering some of their skills towards the benefit of our school community? For example, we're looking for painters, joiners, carpenters, videographers and green fingered members of the local community to come forward and see if they could help. If this sounds like something that you feel you might be able to support with, please do give the school office a call. Thank you.

## Catholic Social Teaching

## Easter Garden Competition

Our Easter Garden competition returns!

Can you create an Easter Garden scene to depict the Easter Story? Last year we had some wonderful entries that really brightened up our school. The school council found it incredibly difficult to choose a winner as the standard was so high. We would love to see lots of Easter gardens this year – have a look at the examples below that use simple items that can be found in gardens. Your entries are welcome at any time before the end of term as they do make a beautiful display and area of reflection for us on our Lenten journey but do make sure you bring in your entry by Wednesday 20th March to be in with a chance of winning a prize!

## Easter Egg Donations - School Council request

If you have any spare Easter Eggs this year, or you would like to support our local foodbank, then our school council would be very grateful if you could drop them off by the donation basket within the school office. Thank you for your generosity!

Our Caritas Ambassadors took time out of their lunch to write Easter Cards for the people of the Parish. ***Our Lenten fundraising has also been decided on by the Caritas ambassadors - please see below!***

*1 - Our Caritas ambassadors reading prayers from the prayer stop in school. During the Year of Prayer we are all encouraged to spend time alone with God.*

If you are shopping in Tesco Stourbridge or Amblecote, please ask for a blue token and pop it in the collection point to support school!

*2 - Father Hudson's Care - your child has been provided with a white plastic envelope to fill up with coins donated by relatives and friends to raise money for Father Hudson's Care, who are supporting the vulnerable and those in need across the Archdiocese of Birmingham.*

*If each child in school could attempt to raise at least £1 that would be wonderful. Thank you all for your generosity and support towards our Lenten charity.*

*We also have a plan in place to do something quite special with some of the coins raised during the last week of term before we send our Lenten almsgiving to Father Hudson's Care. Watch this space!*

## Children's liturgy - John 12:20-33

Jesus says that unless a grain of wheat falls into the earth and dies, it remains a single grain. But if it dies then it will give a rich harvest.

What do you think Jesus means by that? Jesus is using this image to explain that he must die on the cross so that he can rise again and so people will believe he is the Son of God.

What happens to a seed when you plant it? The seed dies as it grows into a plant.

Wheat is an important thing to grow because it is used in lots of foods. Can you name some foods that wheat is used in? How about if I tell you that wheat is used to make flour? What can you make with flour?

One single seed can grow lots of food. Think about how tiny an apple seed is inside your apple, which you can plant and grow into an apple tree that will produce lots of other apples. Can you think of some other foods that can be grown from a single seed?

You may not be very used to growing things, but about a quarter of all people in the world live from farming. For them, planting and growing seeds is a matter of life and death.

If their food doesn't grow well, their families will be hungry. The people listening to Jesus would have known all about what that means, as many of them would have grown their own food.

Jesus had to die so that he could rise again. Through his death and resurrection he gave us all new life. And he calls us all to follow him, in all that we do.

Just like a seed, our actions, even if we do just one little thing, can also grow into something big. Especially if we join together with others. For example if I want to make the world a fairer place, on my own I am easy to ignore. But if all of us come together and get our friends and our families to join in too, we are much harder to ignore!

What will you do this week to make a difference to someone else?

We pray for world leaders: that God may guide them to make decisions which help those who are most in need. Lord, in your mercy...

We pray for our parish, family and friends: that we may take steps to change our own lives and the lives of our brothers and sisters around the world. Lord, in your mercy...

We pray for the poorest people in our world: that the seeds they plant may give a rich harvest so that everyone has enough to eat. Lord, in your mercy...

**Closing prayer:**

Christ Jesus, fill us with your love and mercy and show us how to make a difference to the lives of our brothers and sisters around the world. Amen.

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message. If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they **MUST** be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

## Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

PTA updates- Please scroll through the images below for a host of updates from our wonderful PTA.

OUTDOOR ACTION DAYS - Saturday 9th March - 9.30am onwards.

Please join us to help tidy & improve our school grounds.

We'd like to thank the Parishioners who came along to join us last year and to help us make such important transformations to outdoor spaces at school. It was a resounding success.... but there is more to do! So please come and join us this year. The sense of community felt at last years action day was fantastic.. helped along by the tea and cakes of course!

This year we hope to conclude the painting on the school's gates and car park boundaries, refine the memorial garden and relocate flora for a rock garden, clear weeds in the garden club zone and sow new seeds, relocate and stock the outdoor miniature library as well as transform the KS1 outdoor space with a vibrant wall mural. We'd also like to erect fencing, add decorative elements and learning tools and create pathways with defined borders to the outdoor learning area. We have a mini greenhouse and mini shed to build and the willow nest to reweave. Last but not least we have to paint our new outdoor classroom with wood stain to preserve it.

We need gardening utensils, paintbrushes, trays, screwdrivers, brooms, hammers and ladders to use on the day. If you happen to have any top soil, wood chippings, white wood paint or wood stain that you no longer need, we'd love to put them to good use at school!

We hope to see you there, EM, Marie and the PTA team.

# Mother's Day GIFT SHOP

We'd love to invite you to take part in this years Mother's Day Gift Shop to help our little ones treat someone special!

## A NOTE FROM MR WILKES

I was delighted to be asked to write a few lines for the newsletter to express my thanks and gratitude for all that you do for our children and school.

Over the last year a number of successful events and projects have taken place that have been led by the PTA. The Valentines disco, mother and fathers' day sales, Joechella, the outdoor action day, spooky disco and fantastic Christmas raffle among many others have been fun for all and ensured a great amount of money has been raised - all of which has gone to further enriching the learning experience of the children at St Joseph's.

St Joseph's is blessed with a wonderful PTA - The best that I have worked with in my career as a teacher.

The generosity of parents and family members towards PTA events greatly supports the school to achieve our aims of providing the best start in life for the children and community we serve. All parents in school become a member of the PTA when their child starts at St Joseph's. Where possible, please do try to attend the meetings and approach a current member if you wish to become further involved as all support, skills and time given is very much appreciated and extremely rewarding.

On behalf of the teachers, support staff and governors, thank you.

## JOIN US!

## Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to [www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals](http://www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals)
