## A message from our Principal

Dear parents,

This week our Year 6 children have completed their end of Key Stage 2 assessments (SATs) in grammar, spelling, reading and maths. In school we are so proud of our Year 6 children and I hope that this weekend they are now able to relax and celebrate that they have completed the tests. Well done, Year 6! Thank you too, parents, for how you have prepared the children at home and I am sure supported them with any last minute worries this week. I wish you all a more relaxing weekend.

We have also updated our social media pages with lots of photographs of the activities that the children took part in during our Coronation celebration day last Friday. Thank you so much to the large number of parents who joined us for the intended singing on the playground. Unfortunately, the rain caused a very quick 'Plan B' to come into place and I hope that you enjoyed hearing us in the hall. Thank you for your co-operation when we moved everyone inside, it was greatly appreciated.

Please do check the diary below as I have added lots of upcoming events that will take place before the end of the school year, this includes Mass times and a new date for individual photographs in school.

Next week in school we will be joining in with Walk to School week which is part of our Live Simply pledge and our commitment to walking one a week to school with the support of Living Streets [Living Streets | Home Page | Living Streets](#) More information is below in the Live Simply weekly update.

Also, next week Mental Health Awareness week is taking place with the theme of 'anxiety'. All children from Reception to Year 6 will explore what anxiety is, why our mental wellbeing is important and engage in activities in our outdoor forest area in school to support our wellbeing and mental health.

### **Updates:**

**May TEN:TEN Newsletter** Here is the May newsletter from Ten:Ten. This newsletter shares some of the content children will experience in school throughout May and suggests ways to support your family prayer times [www.tentenresources.co.uk/prayers-for-home/parent-newsletter/](http://www.tentenresources.co.uk/prayers-for-home/parent-newsletter/)

We have a number of places available in our before and after school clubs. Please do enquire in the office if this is something that you wish to access or learn more about.

Please see the PTA section below with updated plans for the outdoor area and information about our Outdoor Action Day on May 20th. The slides and plans that have been put together are fantastic I'm sure that you will agree!

The children have asked about the potential of an art after school club. Are there any members of the school community who may have experience in this and able to support us?

Could I please continue to politely remind parents to park considerately around school. Thank you.

Have a great weekend.

God bless

Mr A. Wilkes

Principal

The poster features a dark blue background with a circular logo at the top center containing a cross and an open book. Below the logo, the text reads: "St. Joseph's Catholic School", "We have places available for children to join our wonderful school this September!", "For more information, please contact school reception:", "01384 431980", and "info\_stjosephs@emmausmac.com". A small Ofsted logo is on the left, and a larger one is on the right with the text "We remain a GOOD rated school, Ofsted Feb 2023." The bottom of the poster is a collage of six photos showing school activities: a band, a group in a circle, a stage performance, a classroom, a group in a circle, and a group in a circle.

*1 - We have a limited number of places available for our Reception class starting in September 2023. If you would like to know more, please contact our school office on 01384 431980. Come and join our wonderful school! "St Joseph's continues to be a Good school" - Ofsted Feb 2023.*

Thank you for joining us at family Mass each Saturday at 5pm at OLAS, it is a great success!

## Children's liturgy – 6th Sunday of Easter (John 14:15-21)

**“I Will Not  
Leave You”**

Jesus is trying to prepare his disciples for what is coming next – his death on the cross and his rising again.

Can you remember some of what he tells the disciples?

He tells them that if they love him, they must keep his commandments.

Can you remember the commandments that Jesus has given us?

Jesus asked us to love God and to love one another.

How do you show your love for others? How do others show their love for you?

It is often easy to show our love for those people who are close to us. We can be kind and generous to our friends, we can listen to our parents, carers and teachers. We can share with our brother or sister.

And they show their love for us by comforting us when we are upset, by looking after us and by sharing their things with us too.

But we are all God's children. God loves each and every one of us because we are special. And so we need to do our best to show our love to all people, not just those who are close by.

How do you think we can show our love for our sisters and brothers around the world?

We can show our love by caring for our world, which is the home we all share. We can try to make the world a fairer place, by making sure world leaders or others who have power, know that we want them to make a difference. We can stand up for what we believe in and try to make a change so that all people feel loved, respected and supported to build the life they want for themselves and for their family.

How will you show your love for others, both here and around the world in the coming week?

We believe that we are loved by God and so we pray together:

We pray for the Church throughout the world: that it may be a living example of God's love for all people, especially those who are in need. Lord, in your mercy...

We pray for all our brothers and sisters around the world: that together we may do all that we can to build a better world, free from hunger and poverty, and filled with love. Lord, in your mercy...

We pray for our parish, family and friends: that we may love God with all our hearts and be inspired to reach out in love to others. Lord, in your mercy...

Closing prayer: Christ Jesus, you came into the world to show us how to live. May we follow your commandment of love for one another and do what we can to care for all people, especially those who are poor. Amen

*Reflection adapted from Cafod children's liturgy*

*3 - Calling all parents: Do you have a career that involves science, engineering, art or maths? Would you be interested in talking to the children about how you use these skills in your job? During our 'STEAM' week (5th-9th June), we would love for parents to come in and chat to the children about their jobs. Please don't worry if you are not available on these dates, you could always send us a video. If you are interested, please contact Mrs Freeman or Mrs Cangiano to find out more information. We can't wait to hear from you.*

*\*Please note - due to the great feedback from parents so far who wish to talk to the children we have moved the date back a little to ensure that everyone who wishes to talk to the children will have the chance to inform us and the opportunity to do so.*

## Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

## PTA updates

We are very lucky to benefit from such an active and passionate PTA - thank you for your ongoing support to our school!

Please see the below videos for how our outside area has been transformed in school with thanks to the PTA! We have lots of exciting plans including a gardening club, vegetable patch, the use of a greenhouse, a pond area, new benches to listen to stories from the storytelling chair and areas for children to be responsible for. All showing how we are caring for our common home - how wonderful!

Thank you so much to our fantastic PTA!

Please see the link below for an update on the PTA outdoor projects for the rest of this year. If you can help in any way, please do let your

class PTA representative know. Thank you to the PTA for preparing this wonderful slideshow! [OUTDOOR PROJECTS \(canva.com\)](https://www.canva.com)

## Attendance

Congratulations to Years 6 who have achieved the highest attendance this week. You will receive an extra play time!

Attendance for the whole school for this week is 97.61%.

Here is the attendance for this week for each class:

Year R: 88.5%

Year 1: 99.2%

Year 2: 97.9%

Year 3: 99.2%

Year 4: 99.2%

Year 5: 99.2%

Year 6: 100%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

## Lunchtime Supervisor Vacancy

We have a vacancy for a Lunchtime Supervisor - Monday to Friday 12.00pm-1.20pm term time only.

If you are interested or know of anyone who would be interested please contact the school office for more details.

## Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to [www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals](http://www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals)

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988

#### 6 - National Online Safety

*This week we have emailed you with information on how to sign up for resources, courses and webinars around online safety using the National Online Safety platform. I will shortly add suggested resources to your parent 'watch list' which I believe will be of great support to us all as we keep our children safe in an ever changing environment online. Please do sign up to this fantastic resource which we also use regularly in school. All schools within Emmaus have been provided with this opportunity to support online safety of our children.*

*Within school, we are able to see which courses that you have completed, but not any other details. Please ensure that you select the 'parent/carer' user group when you sign up.*
