## A message from our Principal

Dear parents,

I hope that you and your families are well. It has been great to see the children going out on school trips during the last couple of weeks. Year 3 had a great time at Think Tank, Year 2 thoroughly enjoyed their visit to the Safari Park and Year 6 are currently having the most wonderful time at Pioneer Centre - and there are more trips to follow. Please have a look at our social media accounts for photographs taken during the visits. As you'll be aware, the cost of trips has increased this year due to a number of reasons. Thank you for your understanding and for continuing to support us with being able to provide trips, visits and experiences for the children - they really do bring the curriculum to life and are always remembered fondly. Thank you also to governors and parent volunteers who have supported us during the visits - you are hugely appreciated by us all!

The warm weather has remained with us all week. Thank you for sending the children in with a cap and wearing long lasting sun cream.

Please keep an eye on the diary below as there are a number of events coming up shortly. Thank you.

### **Updates:**

**June TEN:TEN Newsletter** Here is the May newsletter from Ten:Ten. This newsletter shares some of the content children will experience in school throughout May and suggests ways to support your family prayer times [www.tentenresources.co.uk/prayers-for-home/parent-newsletter/](http://www.tentenresources.co.uk/prayers-for-home/parent-newsletter/)

### **Reminder that school is closed on Friday 23rd June for our final inset day of the academic year**

We have a number of places available in our before and after school clubs. Please do enquire in the office if this is something that you wish to access or learn more about. Our Gymnastics club is now open to our Reception children too.

Have a great weekend and best wishes to all of our dads who are celebrating Fathers' day on Sunday - enjoy the special attention and I hope that like your gift organised by our PTA!

God bless

Mr A. Wilkes

## Children's liturgy - The eleventh Sunday in Ordinary time Matthew 9:36 - 10:8

"Pray now.  
Ask God to send  
more helpers!"  
Matthew 9:38

Jesus can see that the people are worried, that they are struggling and that they are looking for some help. He is filled with compassion for them. But he doesn't just feel sorry for them, he is also moved to action.

He gathers together his twelve disciples, his closest friends, and sends them out with instructions, not only to preach and share his message with the people, but also to care for them. Jesus sends the disciples to help, support and heal the people. And to do it all for free, without asking for anything in return.

Can you think of a time when you saw that someone or a group of people needed some help or was worried about something? How did you feel? And what did you do?

Jesus talks to the disciples about the harvest, and how there are not enough workers to gather it in. Can you guess what he was talking about here?

Jesus knows that everywhere there are people who are looking for comfort and help. There are people who need to hear his message of love. But that there is only so much that he and the twelve disciples can do themselves.

He asks the disciples to pray to the owner of the harvest to send more workers. Who do you think this owner might be?

Jesus is telling the disciples to pray to God to send them more people to join in with their work, to follow Jesus and to share his love with others.

What do you think this means for us today? Sometimes we are the people who are in need of help. Sometimes we are the people who can help others.

We are followers of Jesus and so we are called to do what we can to love and help other people. This might be a member of our family or a friend, someone at school or church or in our local community. It could be someone further away who we know, or even who we don't.

When we see a problem, we are asked not just to feel sorry for the person who is sad, worried, ill or struggling, but like Jesus, we are called to take some action to help.

So this week, let us see what we can do to help others. Let us share God's love with one another and act with compassion when others are looking for support.

How will you do this during the coming week?

We pray for the Church throughout the world: that we may continue to serve people, act with compassion and share God's loving care with all who are looking for help. Lord, in your mercy...

We pray for all people who are worried, ill or finding things hard: that through God's grace they may receive the comfort and care that they need from those around them. Lord, in your mercy...

We pray for our parish, our family and our friends: that we may be like the disciples, sharing God's love through our actions of comfort and help for others. Lord, in your mercy...

Closing prayer: God of mercy, fill us with compassion for our brothers and sisters, who are all loved by you. Lead us to take action and bring comfort and help where we can. Amen.

## Our May Procession

The May Procession at St. Joseph's

On Wednesday 24th May, our school community came together to hold a May Procession. Father Phillip led us in our Liturgy along with our Year 6 children. Our celebration began in the hall where we gathered to share praise and thanks for Mary our Mother. Then, to the beautiful sounds of "As I kneel before you", we processed through school and out onto the KS2 playground. The sun shone as we paused to pray for our wonderful Year 6 children as they prepare to move to their new schools. Still singing we then, moved to our KS1 playground where we stopped to pray for our families and thank them for their love and support. We then returned to the hall to place flowers around the statue of Our Lady and to reflect on the very special place Mary has in our lives, our hearts and our faith. Thank you to everyone involved in making this a memorable occasion.

'Mary is the mother who patiently and tenderly leads us to God'

Pope Francis

## Steam week

Steam week was a great success! The children had great fun and learnt lots! They especially enjoyed learning about architecture, designing, printing, geometric shapes, life cycles, plants and lots more! Thank you to our parents who came in to talk to the children about their careers. We have created a 'pop up' gallery in the entrance area for you to see the activities that took place during STEAM week. Lots of further information and photographs can be seen on our social media pages.

## Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

## PTA updates

We are very lucky to benefit from such an active and passionate PTA - thank you for your ongoing support to our school!

Please see the below videos for how our outside area has been transformed in school with thanks to the PTA! We have lots of exciting plans including a gardening club, vegetable patch, the use of a greenhouse, a pond area, new benches to listen to stories from the storytelling chair and areas for

children to be responsible for. All showing how we are caring for our common home - how wonderful!

The PTA today organised the Fathers' day sale in school - thank you very much for the donations to the sale!

Thank you so much to our fantastic PTA!

Please see the [link below](#) for an update on the PTA outdoor projects for the rest of this year. If you can help in any way, please do let your

class PTA representative know. Thank you to the PTA for preparing this wonderful slideshow! [OUTDOOR PROJECTS \(canva.com\)](https://www.canva.com)

Thank you so much to the PTA who joined us last Saturday and helped out with the outdoor area at school. The school environment looks absolutely wonderful and the children had a brilliant surprise on Monday morning! Thank you PTA!

## Attendance

Congratulations to Years 5 who have achieved the highest attendance this week. You will receive an extra play time!

Attendance for the whole school for this week is 97.23%.

Here is the attendance for this week for each class:

Year R: 99%

Year 1: 91%

Year 2: 97.7%

Year 3: 98.7%

Year 4: 95.3%

Year 5: 100%

Year 6: 99%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

## Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to [www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals](http://www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals)

If you need further information, you can contact the Free School Meals Teams by:
