

FIREWORK ART

Follow the instructions to make a beautiful firework scene.

If you haven't got all the resources, improvise. Colour in white paper if you don't have coloured paper. Cut up old magazines, newspapers or cereal boxes if you don't have paper. Just have fun!

HOW TO MAKE A FIREWORK PICTURE:

1. Cut out the silhouette of buildings using black paper

2. Cut out lit windows using yellow.

3. Curl strips of colourful paper to make your fireworks.

4. Stick stars between your fireworks.
