Now go back to the list of words from the story that describe Superworm.

I want you to add some more adjectives to your list.

Can you create a couple of similes about him?

Your Task

Today you are going to write an **acrostic poem** about Superworm using lots of adjectives and maybe a simile or two.

Have a look at the next two pages to see how to write this type of poem. You can then use the sheet on page 12 or just write your poem on paper.

An acrostic poem is a poem in which the first letter of each line spells out a word.

This is an example about a Right Whale!

Can you see what I've done.

Can you see that I've included lots of adjectives and similes.

A Right Whale Acrostic

Riding through the waves as fast as the wind

Imagine seeing five diving together!

Gigantic flippers flapping like paddles on a boat

Huge head plunging into the stormy, grey spray

These are the most beautiful whales of all!

Notice how the first letters of each line go together, top to bottom, to spell out the Right whale's name -

right!

What to do

Write your own acrostic

1. Write the the word **SUPERWORM** down the left hand side of the paper. Use capital letters and make sure you get the spelling right! There's a sheet on page 12 if you want to use/ copy it.
2. Now for each letter create a line that carries on from the letter and says something about Superworm.
3. See if you can include some great adjectives in your lines.
4. See if you can include a simile in at least one of your lines.
