### Picture books for younger readers

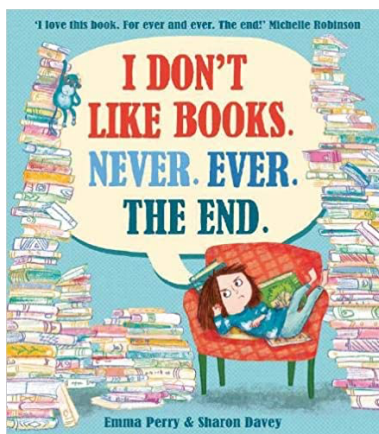

Told in gentle rhyming verse, this beautiful non-fiction picture book follows the story of an oak tree on a hilltop as it witnesses life changing around it over the course of hundreds of years. From the time when hunters chased deer through the woodland, to when trees were cleared for farmland, to the smog and factories emerging during the industrial revolution. One majestic oak has seen it all, and now we can too.

A beautiful new picture book from the author of 'Ruby's Worry'. The Invisible is the story of a young girl called Isabel and her family. They don't have much, but they have what they need to get by.
